ANY student may purchase a book on the third day that books are passed out in May.

Attention parents: The yearbook is in need of action shots from sporting events and other school activities. If you attend games and /or events and would like to submit photographs, please send them to Mrs. Hersey. Paper photos or high DPI digital photos work best. Please note the following deadlines: Fall Events, 11/1; Winter Events, 1/30; Spring Events, 5/20.

The Senior Class Group Photograph will be taken (sun or clouds) on the first day that seniors attend school at 8 AM. The rain date (or fog date) will be the next day at 8 AM.

Senior Slide Show Information: The yearbook needs photos of seniors and their friends in their younger days to put in the Senior Slide Show. This DVD is available for purchase for \$10 through the order form link. Please send these in to Mrs. Hersey by February 1st. All of these photos will be returned.

Attention Seniors: THE DUE DATE FOR ALL SENIOR PORTRAITS AND WRITEUPS IS FRIDAY, OCTOBER 1ST by 2 PM in room 309. Make certain that all photos, writeups, and CDs have your name printed on them. Remember that you will need to submit a black and white or color glossy portrait photo for the yearbook. The layout requires a vertical pose and even lighting works best. Stay away from bright sunlight which causes deep shadows, backlighting, and distracting backgrounds. No Polaroids, color copies, inkjet digital prints, or photos on CDs will be accepted.

Seniors will also need to submit their write-up with their name typed into it as it will appear in the yearbook (no more than 300 total spaces) to be placed next to their photo. This must be submitted typed and emailed to thersey@mtbluersd.org. If you attach it, make certain that you have typed it on your school issued laptop so that we can open it.

Mrs. Hersey will be taking them for free at the following times. Sign up outside her room BEFORE these dates.

Tuesday, September 7 before or after school
